nikulsinhpavra@gmail.com ✉

Ahmedabad, Gujarat ⌂

PROFESSIONAL SUMMARY

Experienced and adaptable software engineer with a robust skill set in full-stack development, including proficiency in Laravel, Codeigniter, PHP, Micro-framework, Stripe, Vue.js, Inertia.js, Javascript, jQuery, AJAX, Typescript, HTML5, Bootstrap, Tailwind, Skeleton, MySQL, REST APIs / Graph-QL, GIT, GitHub, and Bitbucket. Proven ability to learn new technologies quickly and apply them effectively. Skilled in managing development teams, working with agile methodologies, and delivering solutions that meet client requirements.

WORK EXPERIENCE

Shine Infosoft   **Dec 2024 - Present**
PHP-Laravel Developer │ Team Lead

Shine Infosoft is a technology solutions provider specializing in mobile and web application development. At Shine Infosoft, I am gaining hands-on experience in advanced backend development, microservices architecture, and cloud-based deployment strategies. I am also working on optimizing application performance, integrating scalable solutions, and enhancing security protocols while leading a team in an agile environment.

Echo Innovate IT - App Development Company   **Sep 2021 - Dec 2024**
Open-Source Developer │ Team Lead

Key Learnings & Contributions:
- Led a team in developing and maintaining scalable applications using Laravel & CodeIgniter.
- Implemented RESTful APIs, GraphQL endpoints, and Stripe payment integration.
- Managed version control with GIT, GitHub, and Bitbucket for efficient collaboration.
- Coordinated directly with clients to gather requirements and resolve issues.
- Participated in agile ceremonies, sprint planning, and retrospectives.

Master of Computer Application (MCA)   **2021 - 2023**
Gujarat Technological University │ Ahmedabad

Bachelor of Science in Information Technology (BSc IT)   **2018 - 2021**
Saurashtra University │ Surendranagar

PROJECTS

All the projects can be found on a [portfolio website](#).

InfrainSight - Network Monitoring (Laravel)

- InfrainSight is designed to serve as a **centralized platform** for analyzing data from multiple customer relationship tools. As part of the project, we developed an intuitive front-end interface and an admin panel, enabling users to seamlessly analyze their network data across various tools, including **Connect Secure, Auvik, Datto Server, Ninja, Azure Billing, Pax8,** and more.

CMS for Sandipani (Laravel)

- Developing a **CMS-based admin panel** for Sandipani.org using Laravel 12, following clean architecture and modular design principles.
- Implemented **reusable components** and optimized code for scalability and maintainability.
- Enabled efficient management of organization departments with **role-based access** and structured workflows.

Shipdelight (Vue.js)

- The ShipDelight order tracking page offers customers real-time updates on their shipments by entering an AWB tracking number. It provides clear status indicators such as "**Order Approved,**" "**Pending Pick Up**," "**Order In-transit**," "**Out For Delivery,**" and "**Delivered**," ensuring customers are informed throughout the delivery process.
- We aimed to provide ShipDelight's customers with a reliable and intuitive **order tracking experience**, reinforcing the company's commitment to transparency and customer satisfaction.

MICHELIN Connected Fleet (Laravel + Vue & Inertia)

- MICHELIN Connected Fleet services and solutions are designed to provide the **tools and information** fleet operators and managers need to **easily manage their fleets on a daily basis** and **transform their operational efficiency.**

Carlogistics (Codeigniter)

- Strategizing Innovation: Elevating Projects through New Features, Seamless Implementation, and Client Engagement with Comprehensive Team Leadership.

Salesmate CRM - Cloning (PHP, Lumen, Laravel)

- Proficient in implementing core backend logic with a focus on automation and seamless integration of third-party APIs.

AutoMonkey (Codeigniter)

- Orchestrating Backend Management, API Creation, and Logic Implementation for Seamless Functionality.

QuickCoach (LARAVEL)

- Empowering Skill Growth Through Collaborative Teamwork and Learning Opportunities.
